

# VIVEK SHIVAJI KATKAR

Kolhapur, Maharashtra, India

+91 9356907874    katkarvivek0@gmail.com    vivek-katkar    vivekkatkar

## Education

**Walchand College Of Engineering, Sangli**

*B.Tech in Computer Science And Engineering*

**July 2023 – July 2026**

*CGPA : 10.0*

**Government Polytechnic Kolhapur**

*Diploma in Information Technology*

**July 2020 – July 2023**

*Aggregate : 96.12*

**A. Mahadik Highschool Durgmanwad, Kolhapur**

*SSC (Class X)*

**July 2019 – July 2020**

*Percentage : 96.20*

## Experience

**Revolution IT Solutions, Kolhapur**

*Web Development Intern*

**One Month Internship**

*Kolhapur, India*

- Through hands-on experience, I developed proficiency in web development from scratch, crafting user-attractive websites that engage and captivate visitors.
- The internship equipped me with fundamental skills essential for designing web applications, laying a solid foundation for my journey in the field of web development.

**INET Solutions, Kolhapur**

*Flutter Development Intern*

**One Month Internship**

*Kolhapur, India*

- During the Flutter internship, I delved into API integration, database fundamentals, and honed my skills in crafting visually appealing user interfaces.
- Through hands-on projects, I gained practical experience in working with APIs, understanding their functionality and integration within Flutter applications.

## Projects

**CampusConnect - GP Kolhapur Website | HTML, CSS, Javascript, PHP**

**March 2023**

- The dynamic college website empowers teachers and HODs by granting them administrative access, allowing them to update departmental data swiftly and independently, eliminating the cumbersome process of relying on developer intervention for even minor changes
- Through the integration of automation tools, the website streamlines various processes, from data updates to system maintenance, significantly reducing the workload on developers and slashing overall maintenance costs, ensuring optimal resource utilization and budget efficiency for the institution.

**TrackPro : Dynamic Attendance Management Website | HTML, CSS, Javascript, PHP**

**Jan 2022**

- The system offers seamless organization by semester, facilitating efficient attendance tracking.
- Its user-friendly interface ensures intuitive navigation for all users.
- Robust administrative support simplifies management tasks and enhances efficiency.

## Profiles

Leetcode: [katkarvivek0](#)    Codechef: [viki2711](#)    Codeforces: [vivek2711](#)    GeeksforGeeks: [coderviki](#)

## Technical Skills

**Languages:** CPP, C, Java, Javascript, PHP

**Other :** DSA, OOPS, MYSQL, Firebase Basics

**Web technologies:** HTML, CSS, Tailwind CSS

**Core :** OS, DBMS, CN

## Management Experience

Ex-Member at ITSA GP Kolhapur and Assistance CP Executive at Codechef WCE Chapter.

## Achievements

**Technova 2k22 :** Winner of State Level Web Development competition among 30+ Teams conducted by D.Y. Patil College of Engineering, Kolhapur.
